

# YOO'UP

TAME STEEL WITH STYLE

The eYoo support: design, autonomy and mobility,  
**the future in your hands.**

## Autonomous stand

With integrated Batterys, the eYoo offers a power autonomy of 6 to 8 hours to facilitate its use. It moves from room to room, without requiring any power connections.

## Shelf and secure storage

eYoo is designed with a shelf to place and connect a computer, with a secure compartment to store your equipments.

## Optimized mobility

Its base ensures excellent stability and has been designed to pass through doors. Thanks to its ergonomic handles, your screens are finally easy to manipulate.

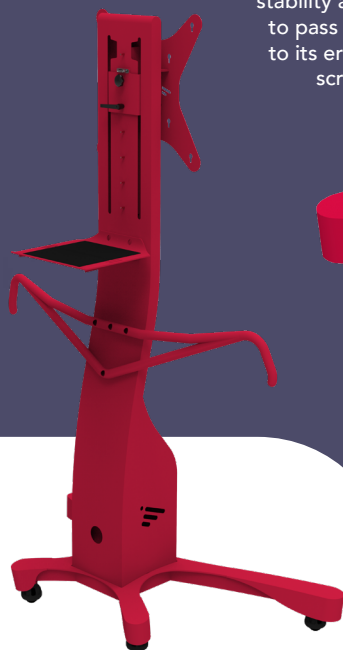

## Offset system

USB and HDMI ports have been placed inside the mount to facilitate connections

## Optional

- Yoo'UP Switch system (screen rotation).
- Yoo'UP Control
- Selection of color.
- Addition of your logo.
- Assisted adjustment.
