

YOO'UP

TAME STEEL WITH STYLE

The XS Switch support:
the mount created solely for your whiteboards.

Yoo'Up Switch System +

Thanks to a patented rotation system, this mount enables the user to switch from landscape mode without tilt to portrait mode with a 5° tilt. Ideal for use as a whiteboard.

Secure storage +

The XS Switch is equipped with a secure compartment to store your equipment.

+ Demountable mount

The oYoo stand is fully removable for easy storage when not in use.

+ Assisted height adjustment

The XS Switch allows a quick and effortless adjustment of the screen height to suit any user and use.

+ Offset system

USB and HDMI ports have been placed inside the mount to facilitate connections.

+ Integrated mobility

Its base has been designed to provide excellent stability to facilitate displacements, like passing through doors.

+ Optional

- Selection of color.
- Addition of your logo.
- Power inverter (Backup).
